

# Resources for Primary Education and Early Years Education

Contact details for further help are at the end of this guide.

The resources in this guide will help you learn more about your subject. The best place to start your search is Discover, which provides you with easy access to thousands of books, eBooks, journal articles and much more. You can access Discover and other key resources via the Library website, LJMU student homepage and MyLJMU portal.

Remember, your modules also have reading lists in Canvas with links to recommended books, eBooks, journal articles and other subject resources.

## Books and eBooks

There is an extensive collection of books and eBooks on all aspects of Primary and Early Years Education. You can browse what is available in your subject area or look for specific titles by searching **Discover**.

- Go to **Discover**, if prompted, **Sign in** with your **LJMU username@ljmu.ac.uk** and **password**
- Type a book title or keywords and select the search icon
- From the results screen, you can filter your results by selecting **Books**
- Select a book title to see more details and availability
- eBooks will have links to view online
- Print books will show number of copies and location

Print books have a class number and are organised numerically by that number on the shelves. Common class numbers are shown below:

Curriculum	375
Education	370
Education Theorists	370.1
Education Policy	379
Educational Management	371.2
Educational Psychology	370.15
Primary Education	372.4
Psychology	155
Reflective Practice	370.7155
Special Education	371.9

## Journals

Journals are published on a regular basis and contain up-to-date information. Journals contain articles focussing on specific topics written by subject specialists.

To find individual journal titles on your subject area:

- Go to **Discover**, if prompted, **Sign in** with your **LJMU username@ljmu.ac.uk** and **password**
- Select the **Journals** option
- Type a journal title you wish to access and select the search icon
- Select a journal title to see more details and availability
- eJournals will have links to view online
- Print journals will show number of issues and location

Below are some popular titles for teaching subject:

Chemistry Review  
Education ins Science  
English Four to Eleven  
For the Learning of Mathematics  
Journal of Teaching Physical Education

## Databases

You can search for journal articles using **Discover** or via individual databases. There are different types of databases. For example:

- **Full-text Databases** provide access to full-text information such as journal articles, book chapters, reports, standards, statistics and legislation

- **Abstracting and Indexing Databases** are searchable indexes, you can view the abstract or summary for each resource. If full text is available follow the link, if not you can request an Inter-library loan

To access a database:

- Go to **Discover**, if prompted, **Sign in** with your **LJMU username@ljmu.ac.uk** and **password**
- Select the **Databases** option
- Select **Primary and Early Years Education** to see suggested databases or type the name of the database in the search box and select the **search icon**
- Select the database title to see more details and note any log-in requirements
- Select the database link

### Academic Full-Text Databases

Featuring extensive footage of practitioners in real-life professional settings, illustrating best practice and insights to mastering the theory, skills and techniques needed to succeed.

### Teacher's TV

Video materials with curricular relevance: documentaries, interviews, performances, news programs and newsreels, and more

## Memberships

Access to memberships require a specific username and password to access this membership, details can be found under the **Non-Athens password** tile on the **Electronic Library**.

Association of Teachers of Mathematics: <https://www.atm.org.uk/>

Association for Physical Education: <https://www.afpe.org.uk/physical-education/login/>

Association for Science Education: <https://www.ase.org.uk/>

## Websites

The content of websites is unregulated. Therefore, it is important that you check the quality and accuracy of information on the internet to ensure that it is reliable, accurate and of an academic standard. There are selected websites or search engines that you can use to help find appropriate information online, for example Google Scholar. If you find details for a relevant resource on the internet, you can check if LJMU has full-text access.

## Further Help
