

Sea to Store Challenge

Who are we?

Dr Martin and Students
from

We are here to prepare for next week ...

Learning

Together

**Wednesday
30 January**

Making

Having fun!

Sea to Store

What is it all about?

Think about ...

The Port of Liverpool

What happens at the port?

Goods arrive from around the world

Floating

We unload the ships at the docks

Loading

Loads of goods are moved to the warehouse

Moving

The loads are hoisted up and stored

Hoisting

The **Sea to Store Challenge**

So ... what are we doing next week?

A class challenge to ...

Floating

Loading

Make models to show the journey from
sea to store

Moving

Hoisting

Your 'load' – penny coins!

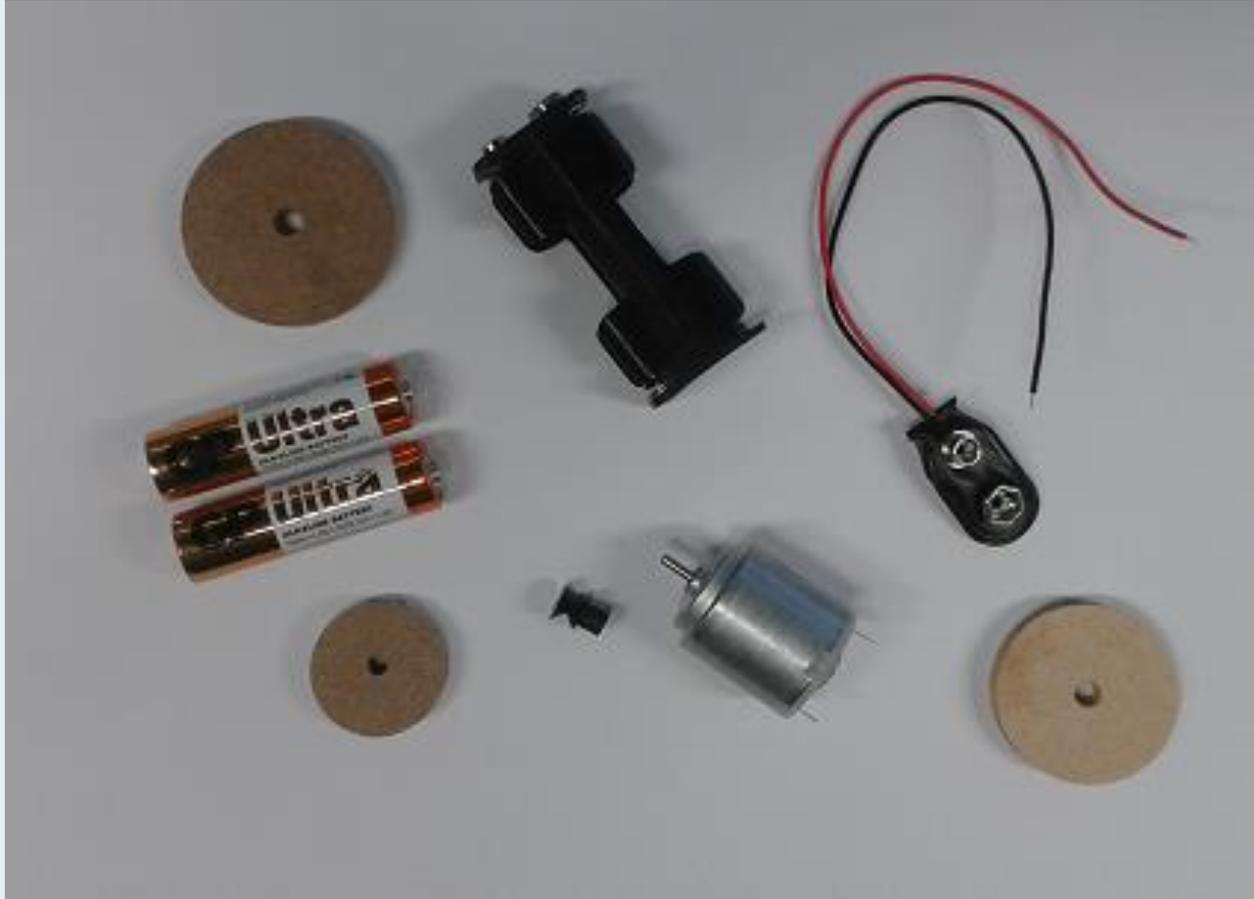

Learning about materials

Using tools

Working with components

This morning

What are we doing next?

Meeting your team

Making something together

So now ...

Enjoy!
